Miss F. Fotheringham,

20 Wellesley Street,

Toronto.

Dear Miss Fotheringham:

I am glad to be able to inform you that at a meeting of the Sermons' Committee held this morning you were formally appointed organist for the coming year. I am sorry that I am not in a position to say what the salary is as our Secretary was absent and he has the details on the financial side.

Your father told me that you were accustomed to conduct also the work of the choir, and we try to lay a good deal of stress upon the choir singing.

The first service will be held on Sunday, the 30th of September. With kind regards, I am,

Yours sincerely,

President.

Miss Helen Fotheringham,

20 Wellesley Street,

Toronto.

Dear Miss Fotheringham:

I am directed by Sir Robert Falconer to say that the opening service of the University sermons will be held on October 14th instead of September 30th as previously arranged. Thanksgiving coming on October 8th would create a break, and it was thought wise not to begin the services until October 14th.

Yours very truly,

President's Secretary.
